2020-FNS-04166-F	5/15/2020	Somerville, J.	I would like to request historic information on all SNAP state certification waivers, including denied, expired, rescinded and obsolete waivers. I am looking for the exact dates each waiver was in effect for. Current certification waivers are listed on the USDA website at: <a href="https://www.fns.usda.gov/snap/waivers/rules">https://www.fns.usda.gov/snap/waivers/rules</a> I would like a version of this file that includes all waivers issued (and not just the current ones). The page makes reference to a "comprehensive database listing all SNAP waivers, including denied, expired, rescinded and obsolete waivers", however, I have been unable to locate that file. I would like this data as far back as possible. Thank you for your assistance. (Date Range for Record Search: From 01/01/1996 To 05/15/2020)

2020-FNS-04316-F	5/26/2020	Somerville, J.	I am requesting SNAP take-up rates by state and by age. By take-up rate, I mean the fraction of eligible households that participate in the program. The USDA report series "Trends in Supplemental Nutrition Assistance Program Participation Rates" contains this information aggregated to the national level. For example, in Table B.3. of the latest report ( <a href="https://fns-prod.azureedge.net/sites/default/files/resource-files/Trends2010-2017.pdf">https://fns-prod.azureedge.net/sites/default/files/resource-files/Trends2010-2017.pdf</a> ) reports participation rates broken down by the following age categories: Preschool-age (0-4), School-age (5-17), Non-elderly adults (18-59), Elderly individuals (60 or older) Living alone, and Elderly individuals (60 or older) Not living alone. I am requesting these data broken down by state. I am also requesting the raw breakdown of these data by age (i.e. the participation rate for each age from 18 to 100 for each state). I would like to request this data from the most recent estimates (2017 at the time of writing) to 1996 (or as far back as possible). (Date Range for Record Search: From 01/01/1996 To 05/23/2020)
