Any contract, order, or other similar document for licenses to replace and/or continue the licenses acquired by contract NNG15SC22B, order 12319819F0031, as amended through P00004. Copies of the order and its modifications are attached for your convenience. To clarify further, I am seeking any responsive contract, order, or other similar document in its entirety. I understand that the contractor or supplier may consider the unit prices in responsive documents to be exempt from disclosure under FOIA and if so, I am not seeking that specific information. I agree to pay any search, review, and reproduction fees necessary to comply with this request up to the amount of \$1,000.00. If any expense in excess of \$1,000 is to be incurred, please inform me of all such charges prior to their being incurred for my approval. If it is determined that any portions of the requested material are exempt from disclosure, I hereby request that all reasonably segregable portions not subject to exemption be released to me. Additionally, if this request is denied in whole or in part, please provide a detailed justification for such decision and your appeal procedures in such instances of denial. See Vaughn v. Rosen, 484 F.2d 820, 826-28 (D.C. Cir.), cert. denied, 415 U.S. 977 (1974); Mead Data Central, Inc. v. U.S. Department of the Air Force, 566 F.2d 242, 251 (D.C. Cir. 1977). The Vaughn index should state the exemption claimed and why the exemption is applicable. See, e.g., Dellums v. Powell, 642 F.2d 1351 (D.C. Cir. 1980); Founding Church of Scientology of Washington v. Griffin Bell, 603 F. 2d 945, 949 (D.C. Cir. 1979). I am interested in seeing responsive documents as soon as possible. As a result, I have no objection to the agency producing documents in separate installments. I request that the agency produce electronic versions of all responsive documents to the extent available. Please forward all responsive materials and correspondence to my attention at the address or to the email address listed below. Thank you for your prompt attention to this request. If you have any questions, please do not
