2023-FNS-04933-F	6/30/2023	Stephens, M.	I am submitting this Freedom of Information Act request to obtain the granular electronic data collected as part of the Expanded Food and Nutrition Education Program (EFNEP) using the Nutrition Education Evaluation and Reporting System (NEERS). I would like to obtain the granular NEERS data collected during FY2009-FY2023 (or the most recent year currently available). I am specifically interested in the national data that is collected from the various state agencies. From these data, I would like to obtain the granular data for all individuals, both adults and children, including demographic, food, benefits, and survey response data. These include the tables (in the most recent years): Adult.csv, AdultSubgroups.csv, AdultPublicAssistance.csv, Adult Cklist.csv, Recalls.csv, Staff.csv, StaffHours.csv, YouthGroup.csv, YouthSubgroups.csv, YouthGroupDetails.csv, Additional Question Sets.csv, Impacts.csv, DSP.csv, Regions.csv, Food Items.csv, and all .csv files beginning with YouthChecklist. In addition, I would like to be certain that each table has the Adult_ID present so I am able to link between the interrelated datafiles. I would also like to gain access to all the associated codebooks since these files contain the definitions of the codes for the fields found in the tables listed above.
