2023-FNS-05182-F	7/16/2023	Williams, D.	In September of 2022, a special deposit email was delivered to "bob.anderson@mdhs.ms.gov" for Mississippi Department of Human Services Director "Robert G Anderson" (hereinafter "ANDERSON") as well as mailed to "Mississippi Department of Human Services ATTN: "Robert G. Anderson", requesting a specific monthly amount for Food and Nutrition Services. Shortly thereafter, ANDERSON replied via email that my household would receive an EBT card in lieu of a monthly check for the amount requested. I am seeking information regarding the whereabouts of the EBT account initiated by ANDERSON and the two MDHS employees that ANDERSON cc'd in his email response because no EBT card has been delivered as promised. ANDERSON never denied the request and is believed to have concealed the request although, constituting dishonor, public corruption, breach of trust, Racketeering, amongst other dishonorable actions, and is impeding my ability to feed my heirs, considering the fact that the United States of America created roads for the United States Post Office Department (USPS) which took away our natural resources, water wells, spring water, and most of America's tillable land, therefore, most private Americans like myself are not capable of feeding our families without the assistance of the United States Department of Agriculture Food and Nutrition Services. A reasonable accommodation is requested with a speedy outcome. without prejudice, By: subrogee, authorized representative for DOMINQUE D. WILLIAMS

2023-FNS-05317-F	7/21/2023	Li, W.	Dear Disclosure Officer: This is a request for information under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, related to the agency's determinations of whether its employees are eligible to part of a bargaining unit of employees represented by an exclusive representative labor union. I am filing this request in my capacity as Associate General Counsel of the National Treasury Employees Union (NTEU). NTEU is a federal sector labor organization representing some 150,000 federal employees, including employees at the agency. Bargaining unit classifications are designated in several ways, most typically on OPM Standard Form 50 ("SF-50"), Box 37, "Bargaining Unit Status" or on OPM Standard Form 52 ("SF-52"), Box 37, "Bargaining Unit Status." The Code 8888 is typically associated with the designation of "Ineligible for Inclusion in a Bargaining Unit." NTEU requests that the agency provide a separate Microsoft Excel data base for fiscal years 2021, 2022, and 2023, containing the following information for all employees with a Code 8888 (or equivalent) in any SF-50, Box 37, or SF-52, Box 37, during the applicable fiscal year: A. Column 1 will contain a random identification number, which will provide the means for referring to the individual employee whose information is provided in columns 2-6. B. Column 2 states the employee's business unit. C. Column 3 states the employee's position series. D. Column 4 states the employee's position title. E. Column 5 states the employee's grade during the fiscal year. F. Column 6 states the documented basis for the use of Code 8888, Ineligible for Inclusion in Bargaining Unit, in the form of a reference to the statutory basis for exclusion, including the subpart under 5 U.S.C. § 7112(b) that is the basis for the exclusion (for example, 5 U.S.C. § 7112(b)(2)). NTEU further requests that for each position title provided in Column 4, that the agency provide NTEU with position descriptions associated with the employee's position title. To the extent a position title includes multiple position descriptions, NTEU requests all position descriptions associated with any employee coded as 8888 in Box 37 of an SF-50 or SF-52 during the years 2021, 2022, and 2023. By this request, NTEU is not asking the agency to reveal the identity of any employee. If the agency discovers that any employee's identity is revealed if all of the above information is provided, NTEU is available to discuss broadening or obscuring one or more fields of information as necessary to protect an employee's identity. The requested information should be sent as soon as it is available, but not later than twenty (20) working days from the date of this request. I ask that the agency waive any fees associated with responding to this request. NTEU is a non-profit federal employee labor organization representing employees at the agency. NTEU is not a commercial organization, and the documents requested are not in the commercial interest of NTEU. Rather, NTEU will use the information to determine whether federal employees who are currently designated as ineligible for inclusion in a bargaining unit are accurately classified. Employees who are inaccurately classified have fewer rights than those who are included in a bargaining unit. Furthermore, the requested information is related to operations . . . The description has exceeded the character limit.
