

## Request to Provide Emergency Allotments (Supplements) to SNAP Households

1. **Type of request:** Initial
2. **Primary citation:** Families First Coronavirus Response Act
3. **State:** Alabama
4. **Proposed alternative procedures:**

The State proposes to provide an emergency allotment to address temporary food needs to households to bring all households up to the maximum benefit due to Pandemic related economic conditions for up to 2 months. Contingent upon the availability of funding and ongoing need, USDA may approve additional months of emergency issuance with an extension request from the State.

These households are eligible for temporary emergency allotments because:

- There is a public health emergency declared by the Secretary of Health and Human Services and there is a State-wide emergency or disaster declaration (copy attached); and
- Due to Covid-19 {Check all that apply}:

Residents of the State are confirmed to have contracted Covid-19

Some or all areas of the State are containment or quarantine zones

Businesses have closed or significantly reduced their hours

The State's residents have experienced economic impacts due to job suspensions or losses

The State's residents have been directed to practice social distancing

### Issuing Emergency Allotments to Current SNAP Households:

Supplemental emergency allotments would be issued in the following manner:

In March, 2020

- On a single date {specify}:  
 Over a series of days as follows:  
 Staggered as follows:  
 Other [please explain]:

**Alabama plans to issue Emergency allotments (supplements) for March and April 2020. Due to system constraints, the March Emergency**

**supplements will be issued on March 31, 2020 and the April Emergency supplements will be issued April 30, 2020.**

In subsequent months, emergency allotments should be provided in accordance with the State's regular issuance schedule. If a State wants to use a different schedule, explain:

**Due to system constraints, Alabama will issue Emergency allotments (supplements) on the last day of the month.**

The state may provide the emergency allotment(s) without contacting the household. While individual notification is not required, States should notify clients consistent with SNAP requirements for mass changes, including notice that emergency allotment will be issued for up to 2 months. Should this schedule change and additional months are approved during the public health emergency, the State will provide a subsequent mass change notice at that time.

**Other Requirements:** [If applicable, STATE SHOULD ADDRESS ANY OTHER STATE-SPECIFIC NEEDS THEY MAY HAVE.]

All emergency allotments will be delivered on the household's EBT card.

The State's SNAP agency also agrees to complete the FNS-292 on a timely basis in accordance with requirements as well as all other normally recurring SNAP reporting included the FNS 46 and 388 reports, on a timely basis in accordance with requirements.

In addition, the State agency will submit weekly reports to FNS with the following Information or the entire State:

- The value of EA issued
- The average issuance amount per household
- The number of households issued EA

**Justification for Request:** Coronavirus COVID-19, as provided by the Families First Coronavirus Response Act.

#### **5. Affected Caseload:**

One month estimates for existing SNAP households under these procedures:

- Number of households receiving emergency allotments benefits 260,000
- Amount of emergency allotment benefits issued for one month: **\$ 20,000,000**
