THOMAS M. SUEHS  
EXECUTIVE COMMISSIONER

May 4, 2012

Mr. Dwight Crudup  
Regional Director  
United States Department of Agriculture  
Food and Nutrition Service  
1100 Commerce Street, Rm 522  
Dallas, Texas 75242-1005

**Subject:** Supplemental Nutrition Assistance Program (SNAP) - Request for Extension of Waiver (#970057)

The Texas Health and Human Services Commission requests an extension of the existing waiver of section 6(o) of the Food Stamp Act as amended by section 824 of the Personal Responsibility and Work Opportunity Act (PRWORA) of 1996 (P.L. 104-193), for the following twenty-three Texas counties: Cameron, Cass, Dickens, El Paso, Hidalgo, Houston, Jasper, Jefferson, Liberty, Matagorda, Maverick, Morris, Newton, Orange, Presidio, Red River, Reeves, Sabine, San Augustine, Starr, Tyler, Willacy, and Zavala. The current waiver expires September 30, 2012.

These twenty-three counties qualify as high unemployment areas under criteria specified in 7 CFR 273.24(f)(i), which allows the Secretary to approve state requests for exemption from work requirements for individuals residing in areas with unemployment rates exceeding ten percent. The extension request is for a one-year period beginning October 1, 2012, coinciding with the federal fiscal year.

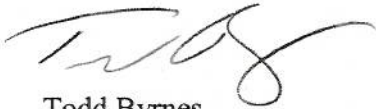

Attached is the most recent data on county unemployment rates from the United States Department of Labor, Bureau of Labor Statistics website. The waiver uses the employment data from this time period and source. The method used is in compliance with the United States Department of Agriculture memo FSP-SO-2004-14 dated May 7, 2004. Details are contained in the attached standard-format waiver request.

In order to complete computer programming for these changes, a response is needed by July 1, 2012. Your consideration and prompt response is appreciated and will allow the state time to complete the necessary automation changes.

## WAIVER REQUEST

1. **Waiver serial number (if request is extension):** 970057
2. **Type of request:** Extension
3. **Primary regulation citation:** 7 CFR 273.24(f)
4. **Secondary regulation citation:** N/A
5. **State:** Texas
6. **Region:** SWRO
7. **Regulation Requirements:** 7 CFR 273.24 provides that no able-bodied adult shall be eligible to participate in SNAP as a member of any household if, during a three-year period, the individual received SNAP benefits for three or more months (consecutive or otherwise), during which the individual did not work an average of 20 hours or more per week; did not participate in and comply with the requirements of a work program for 20 hours or more per week; or did not participate in and comply with the requirements of a program under section 20 or a comparable program established by the State.

It also provides that, upon request of a State agency, the Secretary may waive the applicability of the above provision for any group of individuals in the State if the Secretary makes a determination that the area in which the individuals reside has an unemployment rate of over 10 percent, or does not have a sufficient number of jobs to provide employment for the individuals.

8. **Proposed alternative procedures:** Texas proposes to exempt from this requirement individuals who reside in counties that have an unemployment rate in excess of 10 percent. Employment data obtained from the U.S. Department of Labor, Bureau of Labor Statistics website at <http://www.bls.gov/lau/home.htm#data> (Attachment A) indicates that the 23 counties listed in Attachment A had unemployment rates exceeding 10 percent from February 1, 2011 through January 31, 2012. Each year the State plans to revise the list of waiver counties with an annual effective date of October 1. The State may request approval of a waiver for additional counties if circumstances warrant during the year.
9. **Justification for request:** This waiver is requested under 7 CFR 273.24(f). Approval of this waiver would allow individuals who reside in areas with unemployment rates over 10 percent the opportunity to participate in SNAP without being required to meet program work requirements that may not be attainable.
10. **Anticipated impact on households and State agency operations:** Approval of this waiver would mitigate the adverse effects experienced by households in areas with high unemployment rates by allowing them to continue to receive basic nutritional assistance
