Dear Ms. Brathwaite:

Enclosed, please find New Hampshire's request for a retroactive waiver to exempt certain identified Able Bodied Adults Without Dependents (ABAWDS) from the ABAWD employment and training requirements for Federal Fiscal Year (FFY) 2013. Documentation supporting the State's request is also enclosed. New Hampshire has additional lengthier and more detailed documentation and would be happy to forward it at your request.

The identified ABAWDS for whom the exemption is sought live in the towns of Dummer, Errol, Milan, Stark, Stewartstown, Stratford and Wentworth, New Hampshire. In total, there are 45 individuals in these towns who meet the unemployment waiver requirements.

New Hampshire's waiver request is based on 7 CFR 273.24(f), which allows the Food and Nutrition Service (FNS) to waive employment and training requirements for ABAWDS if the area in which the individuals live has either an unemployment rate above 10.0% or does not have a sufficient number of jobs to provide employment for those individuals.

The ABAWD individuals in the towns named above have met waiver exemption requirements for the entirety of FFY 2013. All reside in the catchment area served by the Berlin District Office. However, the State agency decided to use its 15% ABAWD exemptions to exempt the entire Berlin and Littleton District Offices, rather than request a separate waiver for these particular towns. No towns located within the Littleton District catchment area meet the 7 CFR 273.24(f) waiver requirements.

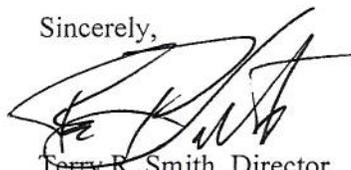

The State has since discovered that the data provided to make this decision was faulty and is currently in the position of having overspent its 15% and is requesting this retroactive waiver in order to regain some of the overused slots.

New Hampshire is aware that FNS has approved retroactive waivers in the past, including at least one that included a full fiscal year. We are sure that FNS will give the State's waiver request the same consideration and are most hopeful for the same outcome.

If you have any questions, please contact Laurie A. Green, the Food Stamp Program Manager, at 603-271-9283.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Terry R. Smith', with a large, sweeping flourish above the name.
