

STATE WAIVER REQUEST

1. **Waiver Serial Number (if applicable):**
2. **Type of request:** Extension
3. **Statutory citation:** Section 6(o) of the Food and Nutrition Act of 2008, as amended
4. **Regulatory citation:** 7 CFR §273.24(f)
5. **State:** District of Columbia
6. **Region:** MARO
7. **Regulatory requirements:** Section 6(o) of the Food and Nutrition Act of 2008, as amended, provides that no able-bodied adult without dependents (ABAWD) shall be eligible to participate in the Supplemental Nutrition Assistance Program (SNAP) as a member of any household if the individual received program benefits for more than 3 months during any 3-year period in which the individual was subject to but did not comply with the ABAWD work requirement. Section 6(o) also provides that, upon the request of the State agency, the Secretary may waive the applicability of the 3-month ABAWD time limit for any group of individuals in the State if the Secretary makes a determination that the area in which the individuals reside has an unemployment rate of over 10 percent, or does not have a sufficient number of jobs to provide employment for the individuals.
8. **Description of alternative procedures:** The District of Columbia (District) is requesting a waiver for the entire District from the SNAP time limit at 7 CFR §273.24.
9. **Justification for request:** Under SNAP regulations at 7 CFR §273.24(f)(2)(ii), areas may support a claim of insufficient jobs by submitting evidence that an area has an average unemployment rate for a 24-month time period that exceeds the national average for the same 24-month period by 20 percent. 7 CFR §273.24(f)(6) provides that States may define areas to be waived.

The District of Columbia seeks a waiver for the entire District based upon the District having an average unemployment rate greater than 20 percent above the national average for the 24-month period of March 2022 through February 2024. The District's average unemployment rate for this 24-month period was 4.8 percent. The national average for this period was 3.6 percent; 20 percent above the national average was 4.4 percent.
