Regulations at 7 CFR 273.24(a) provide that fulfilling the work requirement means: working 20 hours or more per week, averaged monthly; participating in and complying with the requirements of a work program or a workfare program for at least 20 hours per week; or any combination of working and participating in a work program for a total of 20 hours per week.

Under 7 CFR 273.24(f), upon the request of a State agency, the Food and Nutrition Service (FNS) may waive the applicability of the time limit described above for any group of individuals in the State if FNS makes a determination that the area in which the individuals reside has an unemployment rate above 10 percent.
