SUBJECT: Pandemic Electronic Benefits Transfer Program (P-EBT)  
Approval of Indiana's State Plan Amendment

TO: Patricia Solis  
Acting Regional Administrator  
Midwest Regional Office

The Families First Coronavirus Response Act (P.L. 116-127) (FFCRA or the Act) authorized a temporary assistance program for households with children affected by school closures during the public health emergency declared on January 27, 2020. On March 20, USDA's Food and Nutrition Service (FNS) announced and began accepting State plans for the Pandemic Electronic Benefits Transfer (P-EBT) program. Pursuant to the authority granted under Section 1101 of the Act, FNS approved Indiana's plan to operate P-EBT for school year 2019-2020 on May 15.

On September 17, Indiana submitted an amendment to operate P-EBT in school year 2020-2021 through the September 30 expiration of the program.

FNS approves Indiana's P-EBT plan amendment. The State estimates that it will issue about \$60 million in P-EBT benefits for the start of school year 2020-2021 through September 30 for 500,000 children. The State agency must notify the FNS Regional Office immediately if it is preparing to issue an amount for the start of school year 2020-2021 different than the estimate in this plan.

Indiana understands that the State must issue all P-EBT benefits by September 30.

FNS reminds Indiana of the importance of accurate reporting of P-EBT benefits on forms FNS-292B, FNS-46, and FNS-388. Please refer to FNS's [April 27 memo on P-EBT reporting](#), and do not hesitate to contact your Regional Office if you have any questions.

Sincerely,
