# Lentils of the Southwest

SWEENEY ELEMENTARY SCHOOL

Santa Fe, New Mexico

## **Our Story**

With the support of Cooking with Kids, a nonprofit organization in Santa Fe that provides hands-on nutrition education each year to elementary school students in public schools, the Sweeney Elementary School recipe challenge team came together to create this delicious dish.

Lentils have so much potential for meals. Packed with protein, vitamins, and fiber, they are easy to cook and have great versatility. Lentils of the Southwest can be served as a side dish to make the perfect New Mexican lunch. When accompanied by brown rice, this lentil recipe becomes a tasty main dish. The team is very happy that their recipe was chosen as a winner to be represented in the cookbook.
