Greeting Bonnie,

Massachusetts would like to accept the interview waiver option for July and August. We will be applying this waiver to both initial interviews and recertification interviews.

Although we appreciate the offer to extend certification periods and it would have been a helpful flexibility as we anticipate a large volume of applications in August due to the expiration of FPUC the timing of this offer made it impossible for us to take advantage of it. Unfortunately our recertifications that are due in August have already gone out to allow for the necessary 45 days.

Please let me know if you have any questions.

Thank you,  
Brittany
