SUBJECT: Extension Approval of Disaster Household Distribution in Response to the National Emergency Declaration Due to COVID-19

TO: Pat Dombroski
Regional Administrator
Mid-Atlantic Regional Office

This memorandum is in response to the Virginia Department of Agriculture and Consumer Services' (VDACS) request to extend its use of U.S. Department of Agriculture's (USDA) Foods to operate disaster household distribution beyond its initial approved end date of April 26, 2020. This request is in response to food assistance needs resulting from the COVID-19 National Emergency declared by the President of the United States on March 13, 2020.

VDACS requested that USDA extend its initial approval to use USDA Foods from The Emergency Food Assistance Program (TEFAP) for disaster household distribution. VDACS will continue to use the same distribution methods to provide food assistance to approximately 35,000 individuals.

An extension is granted for disaster household distribution beginning April 27, 2020 through May 26, 2020. VDACS is authorized to use the previously approved disaster household distribution food package to continue providing food assistance to impacted households. VDACS must also follow same Terms of Approval as stated in our original approval letter dated March 27, 2020.
