

State Template – FFCRA SNAP Emergency Allotment Request

States must provide the following to their FNS Regional SNAP contact(s) for each month covered by this request.

State/Territory: Ohio

1. [Months] EA Issuance date(s):

February 2023

(Provide exact dates of planned EA issuance for the month or annotate above if the state will be providing EA benefits in accordance with the state's regular issuance schedule.)

Ohio will not provide February emergency allotments with the regular issuance schedule. All allotments are expected to be issued on 2/27/23. Any application for February approved after 2/27/23 will require the worker to do a manual supplement after approving the application. EA supplements for households approved after 2/27/23 are issued the day after approval so that the approval notice reflects the correct ongoing amount. Then when the supplement is issued the following day the notice indicates it is a supplement for that month only.

2. [February 2023] estimate of the number of households and estimated EA amount:

Number of households receiving emergency allotment benefits: 673,339 Amount
of emergency allotment benefits issued per month: \$126,715,582

3. **Confirmation** that one or more of the following conditions exists due to COVID-19.(Check all that apply):

- Residents of the state are confirmed to have contracted COVID-19
- Some or all areas of the state are containment or quarantine zones
- Businesses have closed or significantly reduced their hours
- The state's residents have experienced economic impacts due to job suspensions or losses
- The state's residents have been directed to practice social distancing

And

- The state's emergency or disaster declaration remains active

USDA reserves the right to withdraw or otherwise modify this approval subject to availability of funding.
