SUBJECT: Pandemic Electronic Benefits Transfer Program (P-EBT)  
Approval of Virginia's State Plan Amendment

TO: Patricia Dombroski  
Regional Administrator  
Mid-Atlantic Regional Office

The Families First Coronavirus Response Act (P.L. 116-127) (FFCRA or the Act) authorized a temporary assistance program for households with children affected by school closures during the public health emergency declared on January 27, 2020. On March 20, USDA's Food and Nutrition Service (FNS) announced and began accepting State plans for the Pandemic Electronic Benefits Transfer (P-EBT) program. Pursuant to the authority granted under Section 1101 of the Act, FNS approved Virginia's plan to operate P-EBT for school year 2019-2020 on April 27.

On September 11, Virginia submitted an amendment to operate P-EBT in school year 2020-2021 through the September 30 expiration of the program.

FNS approves Virginia's P-EBT plan amendment. The State estimates that it will issue \$76.2 million in P-EBT benefits for the start of school year 2020-2021 through September to 647,800 children. The State agency must notify the FNS Regional Office immediately if it is preparing to issue an amount for the start of school year 2020-2021 different than the estimate in this plan.

Virginia understands that the State must issue all P-EBT benefits by September 30.

FNS reminds Virginia of the importance of accurate reporting of P-EBT benefits on forms FNS-292B, FNS-46, and FNS-388. Please refer to FNS's [April 27 memo on P-EBT reporting](#), and do not hesitate to contact your Regional Office if you have any questions.

Sincerely,
