RE: Supplemental Nutrition Assistance Program (SNAP) – New Hampshire Request to Waive Able-Bodied Adults Without Dependents Time Limit – Initial – Approval

Dear Administrator Sorli:

This is in response to the New Hampshire Department of Health and Human Services' July 29, 2024, request to waive the Supplemental Nutrition Assistance Program (SNAP) time limit for able-bodied adults without dependents (ABAWDs). The attached waiver response includes the approved areas, the supporting evidence used, and the conditions of approval.

The Food and Nutrition Service (FNS) also reminds the State agency that it must measure the 3-year period and track ABAWDs on a continuous basis, even in areas under a waiver. The State must continue tracking so that the State will be ready to transition off the waiver when it expires and reintroduce the time limit. Please contact your Regional Office representative with any questions.

Sincerely,

DocuSigned by:
