This WIC Nutrition Assessment and Tailoring Study was conducted by Westat under Contract No. GS00F009DA, funded by the U.S. Department of Agriculture's Food and Nutrition Service. The findings and conclusions in this report are those of the authors and should not be construed to represent any official USDA or U.S. Government determination or policy.

In approving Ohio WIC's participation in this study, the Ohio Department of Health Institutional Review Board requires that publication of research findings include the following disclaimer: "This study includes data provided by the Ohio Department of Health which should not be considered an endorsement of this study or its conclusions."

In approving Nebraska WIC's participation in this study, the Nebraska Department of Health and Human Services requires that publication of research findings include the following disclaimer: "These findings and their interpretation are the sole responsibility of the author and do not necessarily reflect the opinions or policy position of DHHS."
